Subject:—

Abolition of the Government Annachattram at Sira, Tumkur District.

As the annachattram building at Sira in the Tumkur District (which was in receipt of an annual tasdik of Rs.514-8-0) was in a state of dilapidation, the feeding in the chattram was stopped for a period of 5 years from 1st December 1915, with a view to accumulate funds for the repairs of the chattram building.

2. In 1919 a proposal was made by the Deputy Commissioner of Tumkur to dispose of the chattram building by sale and utilise the proceeds together with the accumulated funds at the credit of the chattram for the construction of a rest house at Maddagiri. But after some correspondence this was dropped and the Deputy Commissioner was asked to send an estimate for the repairs of the Sira chattram building within the limit of funds available at its credit.

3. The residents of Sira having prayed to the Dewan during his tour in August 1922 for the repairs of the chattram and the revival of feeding therein, the Muzrai Commissioner was requested to report in the matter. He reported in his letter dated the 1st September 1923 that an estimate for Rs.2,498/- submitted by the Deputy Commissioner for the reconstruction of the chattram would be dealt with by him as it was within his power of sanction and at the same time he recommended that free feeding in the chattram may be altogether abolished and raw rations ordered to be issued instead to deserving travellers.

4. On the papers coming up before me I was of opinion that there was no need for the continuance of the chattram especially as the town had got on without it for the past 8 years since feeding etc.,

were

were discontinued in 1915; and accordingly noted that the chattram might be abolished and the building disposed/by auction or handed over to the Municipality or District Board, if they were willing to maintain it as a rest house for travellers and that the savings at the credit of the chattram as also the sale proceeds of the building might be credited to the General Muzrai Fund. The Dewan having approved of the proposal, orders have been issued accordingly, directing the abolition of the chattram and the disposal of the chattram building by auction if the Municipality or District Board are not prepared to repair and maintain it as a Rest House for travellers.

5. The papers on the subject are submitted for the gracious perusal of His Highness and approval of the action taken.

To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department,

Bangalore.

Sir,

With reference to your letter No.1303/M.F.150-22-30 dated 19th September 1922 regarding the revival of feeding arrangements in the Chattram at Sira, I have the honor to forward herewith copy of letter H.C.No.290/22-23 dated 17th August 1923 together with its enclosure received from the Deputy Commissioner, Tumkur District, soliciting sanction for the reconstructions of the chattram building at an estimated cost of Rs.2,493/- and for the issue of rations to such travellers, as are in need of help, as further accumulation of funds seems to be unnecessary.

2. The feeding in the chattram was stopped as a tentative measure to accumulate funds for the reconstruction of the Chattram building in pursuance of Government Proceedings No.1201-3/M.F.43-15 dated 16th November 1915 and as sufficient money to put up a decent building is reported to be available, there appears to be no need to further defer the building operations.

The townspeople of Sira and the adjoining vicinity are agitating for the reconstruction of the chattram building and the revival of feeding therein and the local officers are of opinion that a chattram at Sira is very necessary both on account of its situation and the importance it has gained in recent years as an extensive trading centre where no other convenience is available to the

the casual visitor and the traveller.

3. Government in ~~Government~~ their Order No.3957-645 dated 17th March 1906 have expressed the view that free feeding is preferrable to supplying rations; but as free feeding has been very greatly reduced and abolished in several places in recent years in very orthodox countries like Travancore and Cochin and as considerable saving in establishment charges is possible, if only rations are supplied and as rations are preferred by several travellers, I am of opinion that it would be sufficient to have this system instead, but if Government are of opinion that feeding is preferable, I shall submit proposals for it.

4. If the above proposals meet with the approval of Government and orders are conveyed, the estimate for Rs.2,498/- now received which falls within my powers will be sanctioned and the work ordered to be carried out early.

I have the honor to be,

Sir,

Your most obedient servant,

K. Chandy

Muzrai Commissioner.

Letter No.H.C.296/22-23 dated 17th August 1923 from the Deputy Commissioner, Tumkur District, to the Muzrai Commissioner in Mysore:-

"With reference to your letter No.C.215 of 22-23 dated the 28th September 1922 and subsequent reminders, calling for a detailed report re the repair of the chattram at Sira and resumption of feeding therein, I have the honor to state that the matter was under correspondence between this office and the Maddagiri Sub Division and the Sub Division Officer, after necessary scrutiny finally submits an estimate for sanction for Rs.2498/- together with plan for constructing a new chatram at Sira in place of the old one, which is in a dilapidated condition and further requests sanction for rations being dolled out to travellers as per fixed scale, till the completion of chattram work.

On a reference from this office during the year 1915, Government have directed, in their order No.1201-3/Muz.43-15 dated the 10th November 1915 that the chattram should be closed for public use and the feeding in the chattram be stopped for five years to accumulate funds for its repairs and now it is seen from the Sub Division Officer's report No.H.C.105 dated the 13th December 1922 to this office that there is a sum of Rs.3365/- so accumulated till the end of December 1922 now available at the credit of the institution.

It is clear from the above that there are sufficient funds available to meet the expenses of the said purpose and I therefore request that the estimate for Rs.2498/- may be kindly sanctioned and sanction accorded to the distribution of doles to such travellers, as are in need of help, as further accumulation of funds seems to be unnecessary.

Vernacular records received with Sub Division Officer's No. H.C.105 dated the 14th May 1923 and 25th May 1923 respectively are herein enclosed for reference".
